Library Invite You to Attend Our Third Annual
“A Celebration of Authors”**

Saturday, June 30, 2018 – 1:00 - 4:30 PM

Veterans Memorial Hall – 1000 Main Street

\$5.00 Entry Fee for Adults

Once again, we are proud to showcase 35 local authors of fiction, non-fiction and children’s books. We will gather them together for you to meet and greet, so come and browse, purchase their books, and have them autographed.

Janice Stevens and Pat Hunter have collaborated on many books that we sell in our Museum Store, including the Highway 1 Series, North, Central and South, and Remembering the California Missions. Pat’s watercolor illustrations are true works of art! We have so many other authors that we can’t include them in this flier, but you can check them all out along with their biographies, photos, and published books at: www.cambria-authors.com .

Books from the Historical Museum and Cambria Library will also be available to purchase.

Enjoy a display of books from long ago lovingly collected and preserved by the Historical Society.

Proceeds will benefit the Cambria Historical Society’s many community programs, including our expansion into the recently purchased historic Maggetti House adjacent to the museum, and the relocation of the Santa Rosa School House to the Historic East Village.
