

Cambria Historical Society Speaker Series
Featuring Marlin Harms
“The Unique Flora of the Central Coast”

Marlin will take us on a tour of San Luis Obispo’s wildflowers that will include noteworthy photos as well as life history and cultural history of endemic and endangered species, overlooked species and parasitic species. He has a degree in Environmental and Systemic Biology from Cal Poly and is a longtime member of the California Native Plant Society.

Thursday, August 3, 2017 – 5:30 PM
Cambria Historical Museum – 2251 Center Street
Hors d’oeuvres and beverages will be served

No charge for CHS Members – advance reservations are required due to limited space
The public is invited for a \$10 fee, which can be applied to a \$30 membership
